

Good morning, Families of King Traditional Elementary!

As we approach December, we are once again very excited to announce that we are hosting a Christmas concert at King Traditional this year. The students and their teachers have been working hard to prepare some festive songs, writing, and artwork to celebrate with you!

The concert is taking place on **December 7th**, and you will have two sittings to choose from. We will be running our matinee show at **1:00pm** and then again in the evening at **6:30pm**. Due to limited parking and seating, the number of audience members at each show will be limited. This means that once we reach our maximum capacity for a given show, it will become sold out.

To help keep track of the number of people attending each show, we will be issuing tickets that need to be brought to the door on concert day to ensure we have enough seats available for everyone.

Tickets are free! You can get them by going on your schoolcashonline account starting today. Simply log in and choose if you would like to attend either the afternoon or evening performance. Tickets will be limited to 2 per family to start, and then at the end of the week on Friday after school (3:00), any leftover tickets will be released and you can book as many as you need on a first come first served basis. *Again, tickets are limited to 2 per family to start, then any extra tickets will be released on December 1st after school and free to book on schoolcashonline on a first come first serve basis.* Please **do not** select both the afternoon and evening show at first as we would like to give everyone a chance to attend. When all tickets are booked up, the event will be considered full and tickets will no longer be available. If you have any challenges, or need us to help you in getting your tickets ordered, please contact our office.

Getting your tickets

On Monday, December 4th, ticket sales will stop so that we can tally our tickets and get them ready to physically send home to you in your child's planner. Any Tickets you booked should be going home with your child on Tuesday, December 5th.

Regarding students in the performance: Our concerts are very important events and we would appreciate if all the students were committed to participating in both performances. This will ensure that their classmates are supported and able to make their presentations successful and powerful. We recognize that dropping students off to perform for the evening show requires time and flexibility, and that this is outside of regular school hours. That said, we really hope that all students involved in the show will commit to the evening performance as it sends the message to classmates that the whole team, and their hard work, is important.

For the evening show, we would appreciate it if students could be dropped off 30 minutes prior to it starting (so at 6pm) and picked afterward (at 7:30pm). Teachers will be in their classes ready to receive and organize the students. Thank you for allowing us to showcase your children's talents and celebrate our learning together at this festive event.

-The staff at King Traditional Elementary School
